- The above email address will be exclusively used to send invitations for inspections, as per mentioned on purchase orders.
- Invitations as per ITP or as previously agreed with Huisman QC.
- Each line of the request must refer only to one item, one inspection type and one inspection date.
- QC-C-108 "Template Supplier Inspection Request" shall be properly filled in and submitted at least <u>7 working days</u> before the inspection takes place (exceptions will be considered only under exceptional situations).
- After receiving the invitation, Huisman QC will decide if attendance takes place by means of external inspection companies. Supplier will be informed accordingly. Unless previously agreed with Huisman QC, suppliers may not contact any inspection company or external inspector for this purpose.
- Modified templates will be rejected
- Lines can be added as necessary
- If any question please contact Huisman QC (Freek Gooshouwer fgooshouwer@huisman-nl.com / Javier Añino janino@huisman-nl.com)

Notwithstanding what is mentioned above, Huisman may carry out interim inspections at any time during execution of the order or may have them carried out (please see clause 5.2 of document "General Terms and Conditions of Purchase Huisman Group").
